OUR MISSION:

To provide salient mentoring relationships with local high school seniors to assist students with being their phenomenal selves by instilling pride and self-worth while challenging students to think critically, decide ethically, and serve responsibly. Additionally, we aim to expand students' horizons, while promoting self-worth and self-esteem. After a meaningful year of mentoring sessions, each student who successfully completes the program is awarded a scholarship.

2022-2023

**Mentoring And Providing Scholarships
(MAPS) Program**

ATTENTION HIGH SCHOOL SENIORS AND PARENTS

"M"entoring "A"nd "P"roviding "S"cholarships-"M.A.P.S." is a non-profit organization designed to provide salient mentoring relationships with local high school seniors. The symposiums will include the following topics: Professional Etiquette; A Panel of Professionals; College/University Information; Financial Planning/Time Management; Negative Peer Pressure Resistance; Proper Police Interactions; Resume and Interview Preparation; Professional Speaking Skills...and so much more!

The mission of the MAPS Program is to enhance the opportunity for students to reach their full educational, social, and professional potential through mentoring relationships and scholarships. The program strives to assist students with being their phenomenal selves by promoting confidence and support, while challenging students to think critically, decide ethically, and serve responsibly!

After meaningful mentoring sessions, students who successfully complete the required obligations (listed below) are awarded a scholarship in support of higher education. Additionally, they may compete—and receive guidance—when applying for other local scholarships. The Annual Joint Scholarship Celebration is a cornerstone in the African American community.
